

## Letters from Lucknow

Letter writing was one of the only ways to communicate with friends and family – Olive often wrote letters to her parents in Illinois. When is the last time you wrote a letter or a postcard?

Take a moment to write a letter below to a friend, sibling, parent or grandparent. Tell them something you're thankful for, something that happened to you recently, draw them a picture or write them a poem. You could even pretend you're a guest of Tom and Olive Plant and are staying at Lucknow, with a beautiful view of Lake Winnepesaukee in front of you and the Ossipee Mountains behind you.
