

March 9, 2021

Dear Library Director,

With hopes for a more typical 2021 for all of us, the Castle is pleased to offer the **Castle in the Clouds Library Museum Pass** again this year at the same rate as the last eight years, \$250. **The pass is valid for the free regular admission of one adult and one youth and 50% off one adult and one youth.** It is not valid for programs and special events. The Castle Library Pass will authorize the named Library to issue one pass for each day that the Castle is open during the 2021 regular season. This pass has a potential value of \$42 per day or \$6,552 for the season.

If you are interested, please complete the attached form and send it with a check for \$250 to:

Castle Preservation Society, PO Box 687, Moultonborough, NH 03254.

We will email an e-pass file which can be used to print individual passes on colored paper (pink if you have it), to be signed and dated by your staff in blue ink (if possible), and given to the patron. We ask that you keep a log of the dates for which a pass is issued and send it to us at the end of the season (after October 25<sup>th</sup>). We hope that this system will allow you to issue passes for future dates and dates that the library is not open (e.g. Sundays) and avoid problems with a laminated pass that would be checked out by a patron and have to be returned before it could be checked out again.
