

February 2022

Dear Library Director,

With hopes for a more typical 2022 for all of us, the Castle is pleased to offer the **Castle in the Clouds Library/Museum Pass** again this year at the same rate as the last nine years, \$250. **The pass is valid for the free regular admission of one adult and one youth and 50% off one adult and one youth.** It is not valid for programs and special events. The Castle Library/Museum Pass will authorize the named Library to issue one pass for each day that the Castle is open during the 2022 regular season. This pass has a potential value of \$45 per day or \$6,705 for the season.

If you are interested in participating, please complete the attached form, and send it along with a check made out to Castle Preservation Society for \$250 to the Castle at PO Box 687, Moultonborough, NH 03254.

We will email an e-pass file which can be used to print individual passes on colored paper (pink if you have it), to be signed and dated by your staff in blue ink (if possible) and given to the patron. We ask that you keep a log of the dates for which a pass is issued and send it to us at the end of the season (after October 23rd). We hope that this system will allow you to issue passes for future dates and dates that the library is not open (e.g. Sundays) and avoid problems with a laminated pass that would be checked out by a patron and have to be returned before it could be checked out again.
