### **3<sup>rd</sup> Annual Teacher Open House at Castle in the Clouds**

**Moultonborough, NH –**

Castle in the Clouds is gearing up to host its annual Teacher Open House on Sunday, June 1<sup>st</sup>. The Castle’s education team invites all educators and their families to join them in a field trip “sneak peak” that will include, for just \$5/person, a self-guided tour of Lucknow Mansion, a guided hike, goodies and a question and answer session with the Director of Education & Partnerships, Debbi Finkelstein.

Finkelstein, a former teacher, is passionate about education and wants to make sure teachers know that “we have a great resource in your own backyard! Many may know us for history, but we hosted our first math-focused field trip last year and have so many multi-disciplinary opportunities thanks to our unique geology, architecture, and breathtaking views that have inspired artists for centuries.”

The day will start with a light breakfast and information session before educators can choose to go up to the mansion, eat lunch, spend time in the exhibit gallery, or socialize before the group gathers in the afternoon for a special guided hike. Registration is required and can be done at <https://www.castleinthecLOUDS.org/event/teacher-open-house-2025/>.

#### **ABOUT CASTLE IN THE CLOUDS**

As the premier historical museum in the beautiful Lakes Region of New Hampshire, Castle in the Clouds provides each visitor with a look into the past while providing contemporary comforts to make every visit memorable. Originally called Lucknow, this breathtaking 6,300-acre property was developed in 1913 by Tomas G. Plant, a wealthy shoe manufacturer, to create a luxurious lifestyle with state-of-the-art amenities, beautiful hand-made furnishings, and a large staff to run the estate. These days, visitors come from all around the world to tour the mansion and exhibit gallery, dine in the Carriage House Restaurant or Café in the Clouds, explore miles of hiking and walking trails maintained by partner organization the Lakes Region Conservation Trust, or enjoy one of our many programs and events. Operated by the Castle Preservation Society, a 501(c)(3)

nonprofit organization, Castle in the Clouds is revered as a cultural and educational resource. The Lucknow Estate was designated a National Historic Landmark in 2024, recognizing its national significance in architecture and landscape architecture. Castle in the Clouds is also available as a fairytale wedding location and versatile private event rental venue.
